INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. §1.97

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

In accordance with the duty of disclosure, enclosed is a copy of IDS Citation Form PTO/SB/08 or PTO-1449, together with copies of the documents cited on that form, except for copies not required to be submitted (e.g., copies of U.S. patents and U.S. published patent applications need not be enclosed). This IDS and IDS Citation Form are being submitted before the mailing of a first Office Action. It is respectfully requested that the cited references be considered and that the enclosed copy of PTO/SB/08 be initialed by the Examiner to indicate such consideration and a copy thereof returned to applicant(s).

It is hereby stated that no item of information contained in the Information Disclosure Statement was cited in a patent office in a counterpart application, and, to the knowledge of the undersigned, after making reasonable inquiry, no item of information contained in the Information Disclosure Statement was known to any individual associated with the filing or prosecution of the subject application more than three months prior to the filing of the Information Disclosure Statement.

The references were cited in a Search Report dated July 10, 2006 (copy enclosed herewith) which was forwarded to Applicant's Representative in a communication dated July 24, 2006.

The submission of this Information Disclosure Statement is not to be construed as a representation that a search has been made in the subject application and is not to be construed as an admission that the information cited in this statement is material to patentability.

Please charge any fees due to Deposit Account 02-2666. A duplicate copy of the Fee Transmittal (PTO/SB/17) is enclosed for this purpose.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAPMAN LLP

ANNOTATIONS TO THE CATEGORIES OF DOCUMENTS

All documents cited in the search report are identified by placing a particular letter in the first column of the citation sheets. Where needed, combinations of different categories are possible.

Category X: Particularly Relevant Documents (if taken alone)

Category "X" is applicable where a document is such that when taken alone, a claimed invention cannot be considered novel or cannot be considered involving an inventive step.

Category Y: Particularly Relevant Documents (if combined with another document)

Category "Y" is applicable where a document is such that a claimed invention cannot be considered involving an inventive step when the document is combined with one or more other documents of the same category, such combination being obvious to a person skilled in the art.

Category A: Documents Defining the General State of the Art

Where any document is not considered belonging to either category "X" or "Y" but defining the general state of the art, it is indicated by the letter "A".

Category O: Documents which Refer to a Non-written Disclosure

Where a document refers to a non-written disclosure, the letter "O" is entered.

Category P: Intermediate Documents

Documents published on dates falling between the date of filing of the application being examined and the date of priority claimed, or the earliest priority if there is more than one, are denoted by the letter "P". The letter "P" is also given to a document published on the very day of the earliest date of priority of the patent application under consideration.

Category T: Documents Relating to the Theory or Principle Underlying the Invention

Where any document is a documents whose publication date occurred after the filing date or the priority date of the application and is not in conflict with the said application, but is cited for the principle or theory underlying the invention, which may be useful for a better understanding of the invention, or is cited to show that the reasoning or the facts underlying the invention are incorrect, it is indicated by the letter "T" next to the citation of the document.

Category E: Potentially Conflicting Patent Documents

Any patent document bearing a filing or priority date earlier than the filing date of the application searched but published later than that date and the content of which would constitute relevant prior art is indicated by the letter "E".

Where the patent document and the application searched have the same date, the patent document is also identified by the letter "E". An exception is made for patent documents based on the priority under consideration.

Category D: Documents Cited in the Application

When the search report cites documents already mentioned in the description of the patent application for which the search is carried out, these are denoted by the letter "D".

Category L: Documents Cited for Other Reasons

Where any document is cited for reasons other than those referred to in the foregoing paragraphs, such document is indicated the letter "L". Brief reasons for citing the document are given.
